

### **MOTOROLA C380**

Express yourself! Motorola introduces the model C380, bringing personalization to a whole new level. Whether you are experiencing exciting messaging options with IM and MMS, downloading applications for use on a large, brilliant color display or utilizing the speakerphone with great audio quality, this mighty mobile packs a punch. The model C380 offers a professional phone, packed with the latest features that let you express your professional, personal, and family life all in one package and at a price that won't break the monthly budget.

### **Sounds like....**

Awesome MP3 and MIDI ring tones let you play clips of real music and set ringtones to identify incoming callers, all complemented by a rich color display.

### **Shine On!**

Be the first to send your friends and family the latest news, songs and pictures. Impress your boss and colleagues by sending the latest business and industry news all with MMS picture messaging. The model C380 also helps you get organized with a feature that synchronizes your date book and phone book with your PC using the optional USB accessory cable. Now you can't help but shine socially and professionally.

### **Entertain Yourself**

All work and no play? No way! With the Motorola C380 you can download different games and applications for hours of entertaining fun. Or, exchange pictures with friends and family and take in the full view on the rich 65K color display ideal for your new mobile photo album.

### **Look Mom! No Hands**

When it's time to multi-task, the Motorola C380 has you covered with an integrated speaker phone. Talk hands free while doing house work, or finishing a memo at work – it's easy and it's fun.

### **Summary of Features:**

- Preloaded & downloadable games & applications (J2ME™)
