

## MOTOROLA E1070

Enjoy your mobile life like never before with the feature-filled Motorola E1070 flip phone. This compact, must-have handset is powered by 3G technology – allowing you to listen to favorite MP3s, enjoy 2-way video calling\* or view streaming video\* complete with synchronized audio. With a 1.3 megapixel camera and an expandable Micro SD™ TransFlash™ memory card slot, you can capture and store every mobile memory.. Affordable, user-friendly and cutting-edge, the Motorola E1070 is the device to keep you entertained and connected, day and night.

### 3 x the Fun

With 3G technology, the Motorola E1070 brings broadband-like connections to your palm – delivering rapid downloads, audio and video streaming and more. Not satisfied? Use the mobile's second internal VGA camera to enjoy 2-way video calling and be connected face-to-face – no matter the distance.

### Capture the Moment

Left your camera at home? No need to worry, the Motorola E1070 is equipped with an integrated 1.3 megapixel camera with up to 8x digital zoom – promising that all your memories can be captured. Then share your pictures with ease via Multimedia Messaging Service (MMS).

### Double Duty

Multi-taskers will rejoice with the Motorola E1070, whether using the integrated speaker phone or Bluetooth® wireless technology, which keep your hands free during your call. You can also enjoy multi-call capabilities – by conducting a call while downloading\* a video clip, game or MP3 file!

### Music & Memory Delight

The Motorola E1070 offers an integrated Digital Music Player for mobile music management and full track MP3 downloads. Save all your favorite songs, photos, games and video clips. With impressive memory capacity – and a MicroSD / TransFlash memory card slot, this mobile provides ample storage options.
