

## **MOTOROLA PEBL V6**

Radiating mystery and intrigue, the understated elegance of the Motorola PEBL V6 elevates mobile design to a new level.

Created with a smooth oval form and innovative dual-hinge mechanism to open and close the device with one swift, delicate motion, this handset is a true mobile accessory. Its

sophisticated look and feel are complemented by discreet hi-tech capabilities including video capture and playback,

Bluetooth® wireless technology and high-speed EDGE

(Enhanced Data for Global Evolution) data services.\* With chic simplicity, the subtly stylish Motorola PEBL V6 adds a calming convenience to your everyday travels.

### **Effortlessly Advanced**

The essence of the Motorola PEBL V6 is smooth sophistication, so take a deep breath and release yourself from the stresses of complicated technology. Stretching the boundaries of traditional connectivity, this mobile sets itself apart with a unique oval shape, distinctive vertical external display, dual-hinge design and distinctive metal finish.

### **The Mark of an Artist**

Document the colorful world around you by taking advantage of the mobile's video capabilities –just shoot and send experiences as they happen to family and friends via Multimedia Messaging Service (MMS). Visual delights continue with an embedded VGA camera for quality still photography, picture caller-ID and dynamic color display.

### **Transcending Technology**

The feature-forward Motorola PEBL V6 harnesses the power of EDGE so that, in mere moments, you can download data with ease, peruse the World Wide Web and share multimedia files without pause.\* Adding expedience to innovation, Bluetooth technology delivers seamless connections to compatible headsets and car kits, while Motorola's dynamic idle solution provides zero-click access to news, sports, entertainment, and weather -- your favorite content available 24/7 on your phone's home screen, keeping you up-to-date and in-the-know!
