

## **MOTOROLA SLVR L7 with i-mode**

Blending advanced functionality with supreme sophistication, the ultra-sleek Motorola SLVR L7 with i-mode is enhanced with the essential tools you crave. Exuding the style and elegance of the SLVR, you'll wow your friends with just a flash of the model SLVR L7 with i-mode's impossibly thin form, beautifully detailed design and vivid color screen. More than just a pretty face, the Motorola SLVR L7 with i-mode puts enhanced connectivity features, superior multimedia capabilities and a world of information at your fingertips via i-mode service. The perfect mix of elite design, entertainment, communications and affordability, the Motorola SLVR L7 with i-mode is the premium device to stay in touch and in style.

### **In the Mode**

Offering i-mode service on the gorgeous SLVR, the Motorola SLVR L7 with i-mode creates a personalized ecosystem, giving you instant access to a wealth of information, entertainment and multimedia content. Catch up on current events, hone your gaming skills or download your favorite new MP3 tune for your morning run via i-mode Browser -- simply click on the dedicated i-mode button for instant web access to download the latest music, news, games and more. The world is literally in your palm of your hand.

### **Multi-talented**

Experience extreme entertainment with the model SLVR L7 with i-mode's rich multimedia feature set. Super slim for discreet portability, the SLVR L7 with i-mode is the perfect mobile companion for all your adventures. Capture your weekend getaway via the 1.3 megapixel camera or video capture and playback features, then send to your friends via a multi-media messaging service (iMMS). Equipped with a large, vivid color screen, superior audio, 60 MB of internal memory and up to 1G of removable memory via MicroSD™, your favorite games, music and photos are always just a click away.

### **Productivity**

Optimized for convenience, the Motorola SLVR L7 with i-mode is an all-in-one device, delivering the tools to manage work, play and everything in between. Multitask while you chat handsfree via Bluetooth® wireless technology, text your friend the address for lunch or quickly check email between meetings via hi-speed GPRS technology.

### **Slice of Style**

Boasting advanced capabilities while radiating extreme style, the svelte Motorola SLVR L7 with i-mode is a total tactile experience. Less than half an inch thin and boasting sleek metal housing and a precision cut keypad, the Motorola SLVR L7 with i-mode is the ultimate handset to showcase your sophisticated style -- without paying a couture price.
