

MOTOSLVR L7e

Slide the all new candybar MOTOSLVR L7e out of your pocket and be entertained anywhere! With the same design form factor as the original MOTOSLVR L7, this affordable yet feature-rich device now comes with a shimmering blue keypad that matches its blue exterior, giving it a refreshing new look! MOTOSLVR L7e houses a new software interface that's similar to the MOTOKRZR, boasting more user-friendly functionalities. Push-To-Talk and Push-To-View make this mobile a necessity for on-the-spot connectivity with friends, family and co-workers. With its 1.3 megapixel camera, Stereo Bluetooth^{®2} connectivity, progressive downloading and video Streaming, GPRS and EDGE Class 10 technology, the MOTOSLVR L7e offers fun for all your needs.

A La Mode

Connect to your fashion and social senses and stand out from the crowd with your MOTOSLVR L7e. Not only does this sleek, yet strong mobile fit perfectly in your hand, it also boasts its battery performance with up to 400 minutes of talk time to keep you connected 24:7. With GSM quad-band technology, keep talking from France to L.A. because this mobile connects no matter where you are.

Entertaining frills

Inspire your creative style, with a 1.3 megapixel camera in a stylish candybar form, shoot your digital lifestyle and view your videos in landscape mode. Let loose in a world of multimedia entertainment with progressive downloading, video streaming, Push-To-View and Stereo Bluetooth² With EDGE Class 10 instant connectivity, you'll never miss out on the latest news or celebrity scoop through messaging via MMS, IM and email*.

Creative Fun

The MOTOSLVR L7e is feature rich, given its face-lifted software interface that is similar to MOTOKRZR. Media Editor is an editing application that enables pictures to be rotated, sharpened or blurred. Picture frames called borders can be added and background colors and can be adjusted for more fun before sending them out as MMS. It's also a breeze to send the edited pictures to the Bluetooth-enabled printer for printing.
