## **THE MOTOROLA V180**

With the feature-forward, value-packed Motorola V180 in your palm, you'll be in touch and in style without spending a fortune. The sleek model V180 offers mobile chatters the latest in cool with MP3 ringtones, downloadable JAVA™ games, instant messaging and synchronization capabilities that promise to keep you one step ahead of the game. You can even use the device's advanced messaging features to share favorite images and animations with compatible devices. The Motorola V180 is the must-have handset for today's on-the-go consumer who watches the mobile scene as well as their budget.

### **Your Style, Your Way**

Even though the shiny model V180 exudes its own style and sophistication, we know that everyone craves a bit of personalization to stand out in the crowd. The Motorola V180 lets consumers customize the front and back covers to match their mood or their outfit. Pick a deep blue for those days you crave a bit of sophistication or, perhaps, a brilliant silver for a night out on the town.

### **Name that Tune**

Become an instant DJ with the Motorola V180's MP3 ring tunes. Download your favorite songs to brighten up your day each time your phone rings. Or, match your songs to your friend's personality to be notified with a unique ring when your friends call. Now, you'll know who is calling before even looking at the screen.

### **Feature Fun**

The Motorola V180 allows you to synchronize your date book and phonebook via the USB accessory cable to keep you connected with up-to-the-minute schedule changes. And, when making a call just won't suffice, take advantage of today's hottest trend – instant messaging – to stay in the know while on-the-go.
