

## **THE MOTOROLA V186**

The Motorola V186 welcomes you to life in the fast lane. Fusing hi-speed, low price and style this mini mobile packs in the features you want with true on-the-go power. Through EDGE (Enhanced Data for Global Evolution) technology, the model V186 provides speeds that rival broadband connections for fast data exchange rates. Combined with plenty of storage space, Multimedia Messaging Service (MMS), Instant Messaging (IM), MP3 ringtones and games this is handset is too good to pass by. Add in the ability to showcase your style with the Motorola V186's interchangeable covers, and you've got the ultimate affordable mobile to keep you up-to-speed, in style and on-the-move.

### **Need for Speed**

Hate waiting? So does the Motorola V186. Built with the power of EDGE, this compact mobile delivers triple the normal voice and data capacity, putting broadband-like speed in the palm of your hand for fast and easy downloading, sharing and storage.

### **Fun on the Run**

Whether managing business or pleasure, the Motorola V186 helps you stay on top of it all. Utilize the mobile's syncing ability to update your calendar and contact list between your handset and PC. Keep in touch without the talk via IM or choose to spice up traditional texts with pictures, animations, icons and sounds via MMS.

### **Tune Up**

Let the Motorola V186's MotoMixer bring out your inner DJ by creating your own one-of-a kind musical ringtones. Or enjoy favorite tunes by downloading MP3 and MIDI musical ringtones that sound crystal clear on the handset's 24 channel polyphonic speaker.

### **A Mobile with Many Faces**

Need a quick fashion fix? The Motorola V186 can match your favorite sweater or suit by alternating its interchangeable front and back covers. Or if it's what's on the inside that counts, download a new screensaver, wallpaper or ringtone to ensure that your phone represents you.
