

## **MOTOROLA V195**

The Motorola V195 strikes the perfect balance between style, power, fun and affordability. This quad-band mobile is your ideal companion for communications around the globe\*, offering an unbelievable range of features from a vivid color display, MP3 ringtones\*\*, integrated speakerphone, synchronization capabilities and Multimedia Messaging Service (MMS)\*\* -- all set in a friendly, hassle-free package. The feature-rich Motorola V195 is truly an essential accessory to manage the everyday, from work to personal life.

### **Delectable Design**

The Motorola V195 spices up your mobile communications with style and élan. Boasting a classic clamshell design, the V195 is available in two delightful colors: dark pearl grey and cosmic blue. Measuring less than an inch thick and weighing in at only 3.5 oz., the compact Motorola V195 slips easily into your pocket or purse. The ergonomic keypad and large color screen make dialing easy, while its soft finish provides endless hours of tactile enjoyment.

### **Versatile, Vibrant, V195**

The Motorola V195 is a quintessential mobile offering the best of the basics and beyond. Entertainment enthusiast? Check out the highlights from last night's game via MPEG4 download\*\* and playback, or access the latest MP3 clips and assign friends and family their own unique musical ringtone. Chronic conversationalist? The V195 packs plenty of power, delivering outstanding battery life and phenomenal talk time from just one full charge. Additionally, the pulsing Motorola logo light on the front of the V195 indicates when someone is calling and when the phone is being charged.

### **Free, easy and cost-effective**

Experience productivity made easy. Delivering premium wire-free connectivity, the Motorola V195 offers Bluetooth® Class 1 for data exchange, over the air (OTA) sync and wireless connections for up to 100 meters away from your compatible Bluetooth-enabled PC or other devices\*\*\*. Offering intuitive, user-friendly solutions in an affordable, stylish package, the Motorola V195 is a must-have for work, play and everything in between.

V195 is expected to be available in Q2 2006. For more information regarding pricing and product availability in your region, please contact your local Motorola representative.

Certain mobile phone features are dependent on the capabilities and settings of your service provider's network. Additionally, certain features may not be activated by your service provider, and/or their network settings may limit the feature's functionality. Always contact your service provider about feature availability and functionality. All features, functionality and other product specifications are based upon the latest available information and are believed to be accurate; however such product specifications are subject to change without notice or obligation.

\*Operates in many major cities and countries where GSM network coverage and roaming agreements are present.

\*\*Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges, and/or additional charges may apply. PoC connectivity requires PoC compatible phones.

\*\*\*The V195 phone supports Bluetooth Class 1 profiles. Your compatible Bluetooth accessories must support these profiles. To determine the compatibility of Motorola accessories, visit the customer support page at [www.hellomoto.com](http://www.hellomoto.com). For other accessories, contact the manufacturer.

**Comment [HaK1]:** What other BT profiles does the V195 support? The PIP doesn't provide that information.
