

## Motorola V290

Bringing together the latest technology and sleek clamshell style at an affordable price, the Motorola V290 offers an array of ways to stay in touch – both with your friends and with your life. Featuring a bright color screen, external caller-ID display, two ways to text message, PIM functionality, fun embedded games and high-quality sound, the Motorola V290 allows you to look professional-by-day and stylish-by-night.

### One Phone, Three Ways to Send Messages

Love to communicate in an instant? Adore attaching ring tunes and wallpaper to outgoing messages? Then you're in luck! The Motorola V290 features not one, but two ways to send messages. Choose from OICQ Instant Messaging or Chat Messaging and Enhanced Messaging (EMS) when sending text messages to your friends and family.

### Bold, Bright and Beautiful

Everything is crystal clear and vivid on the Motorola V290's large color screen. Feeling blue? Red-hot? Ain't easy being green? Now the look of your message can match your mood. With color EMS messaging, the model V290 allows you to choose the colors that you communicate in.

### Surround Sound

The Motorola V290 offers an integrated MIDI sound chip that brings a full-range of sound support to ring tunes, games and messaging features. And the model V290's polyphonic speaker produces realistic, higher fidelity sounds.

### Busy Schedule?

Never forget an important meeting or a hot date again! With the Motorola V290's PIM functionality, keeping track of your hectic schedule is a breeze. Enter appointments into the model V290's calendar feature and set alerts to remind you where you need to be and when.

### Entertain Yourself!

You can rely on the Motorola V290's downloadable entertainment content to keep your days filled with fun. Complete with downloadable icons and wallpaper you can attach to outgoing messages, the model V290 gives you countless options for fun! And the Motorola V290 comes complete with three embedded games from mBounce. You can play Pacific Storm, Bubble Tea and Big2 Garden all day long!

### Keep the Change

Even though it's packed full of features, the Motorola V290's price tag won't break the bank. Stylish, fun and affordable -- what more could you ask for in a phone?
