

### **Motorola V60t Color**

Think perfection can't get any better? Well, think again. The new Motorola V60t Color mobile phone stylishly builds upon its award-winning clamshell design by adding a little pizzazz with a vibrant color display – a combination that is sure to turn heads. The unique metallic slate housing gives the model V60t Color an elegant, sophisticated look and a substantial feel that puts it in a class by itself. Designed with new voice activated digit dialing, you can get connected to friends and colleagues by just speaking their number. Pre-loaded animated screensavers, wallpaper, and ringtones make the sexy Motorola V60t Color a perfect ten. So go on and experience America's favorite mobile icon – now with color.

### **Gaming Fun for Everyone**

Take a break from your demanding day and dive into one of the preloaded color games on the model V60t Color including MotoGP, Mahki and Kick Champion. With the brilliant color display, games are brought to life – leaving you breathless after each gaming experience.

### **ObeyMeMoto**

Speak a telephone number rather than dialing or say a name rather than fumbling across the keypad. With state-of-the-art voice activated digit dialing, name dialing and voice command feature, the Motorola V60t Color delivers an easier and more convenient method of accessing essential features including settings, ring styles and messages. With the Motorola V60t Color in your hand you can keep dialing to a minimum.

### **Let's Play Dress Up**

Looking smart *and* fabulous is easy with the new Motorola V60t Color. Match your phone with your personal style by changing the unique metallic slate housings, choosing from a variety of colored front and back covers. The fun doesn't stop there. Pick the perfect animated screensaver or wallpaper to match the look of the hour or the moment.

### **Text Amongst Yourselves**

SMS messaging allows you to stay connected without making a sound, even in the quietest of places. Shhhh, no one has to know! Choose from a variety of downloadable\* ringtones via SMS.

### **Fashionable Function**
