

## Motorola Accompli<sup>®</sup> 008

The Motorola Accompli 008 seamlessly integrates an “always on” GPRS (General Packet Radio Services) phone and a cutting-edge Personal Digital Assistant in a single sleek, compact design. This revolutionary combination of PDA and phone keeps ahead of the technology curve and promises to be the envy of every tech-conscious consumer.

- *More Than Meets the Eye*  
A large 60 X 98 mm touch screen display with an improved intuitive graphical user interface, accessed with a stylus, delivers comprehensive PDA functions. The Accompli 008 is the “all-in-one” phone, and the last personal management device you’ll ever need.
- *Direct Route*  
Love having Internet access from your handset, but hate the delays? The Accompli 008’s integrated GPRS technology provides virtually instant, constant connectivity to the Web.\* And for true multi-taskers, GPRS allows you to take incoming calls without disconnecting from the Internet. The GPRS session is put on hold and resumed instantly upon ending the call.
- *Banish the Language Barrier*  
Imputing information into a PDA has never been easier! Whether traversing the globe or corresponding with international business contacts, the Accompli 008’s handwriting recognition feature will identify English, French, German, Italian, Spanish, Swedish, Portuguese and Chinese. With this much versatility, you’ll never miss a networking opportunity.
- *Keep in Sync with Starfish TrueSync<sup>®</sup>*  
Starfish TrueSync<sup>®</sup> Synchronization between PC and Accompli 008 ensures that your contacts are always up-to-date. In addition, infrared communication between other PDAs allows for fast, convenient exchange of information.
- *More than Meets the Eye*  
J2ME™ technology in the Accompli 008 gives users the versatility of updating and adding content – from business to entertainment applications – to their device at any time, putting them a step ahead of the crowd.\*\*
- **Expected Availability:** Mid-2001 in Europe and Asia. Global version is being planned.
