

MOTOROLA C261

For communication features you can count on, look no further than the surprisingly affordable, stylishly svelte Motorola C261. This super thin handset with the large, vibrant color display keeps you in touch with your world via Multimedia Messaging Service (MMS), Instant Messaging (IM), Internet access and speakerphone. Promising to balance your work with some play, the mobile offers embedded games and downloadable screensavers, wallpapers and ringtones – letting you personalize your handset so that it is undeniably yours.

Looks Can Be Deceiving

While this sharp looking mobile may look a million bucks, it actually fits nicely into a conservative budget. The Motorola C261's high-quality, thin candy bar form looks both sophisticated and expensive – no one will ever know it's such a steal!

Communication, Your Way

Let your fingers do the talking. With a built-in VGA camera, this little mobile make moments last longer as you snap photos and send them instantly to friends, family or colleagues. And with IM, you can connect with others in real-time to make quick social plans or business decisions.

Take Care of Business

Whether accessing the Internet or using the speakerphone while on the go, the Motorola C261 is ready to deliver. With up to 450 minutes of talk time**, you have plenty of time to surf, talk and more.

Mobile Appeal

The Motorola C261 is ready to play when you are. Enjoy the large, vibrant color display while playing a game or downloading screensavers, wallpapers and photos. Created as your mobile of choice day or night, the Motorola C261 offers round-the-clock appeal via unique backlighting – keypad numbers and letters are white in daylight and glow red at night – you'll always text and dial with accuracy.
