

### **Motorola C343**

Cast mobile envy with the Motorola C343 - a feature packed, completely customizable communication device. With a vivid color display, musical ringtones, advanced messaging capabilities and embedded and downloadable\* animated screensavers and wallpaper, the model C343 has the features you want, the convenience you need and the style you demand. So get personal with the Motorola C343 - sure to suit your style any day of the week.

### **Pump Up Your Messaging**

Enhanced Messaging Service (EMS)\* and Short Messaging Service (SMS) capabilities make staying connected a breeze in the library, during class, or at a noisy concert. Send EMS messages to compatible phones and PCs with graphics, animations and sounds to really get your point across. Digital communication has never been so entertaining.

### **Go Ahead...Make My Phone**

Customize. Customize. Customize. The Motorola C343 allows for complete personalization. Just choose from a variety of convertible color covers, downloadable\* screen savers, animated wallpaper and games. Talk about personalized mobile madness! Dress it up your way, then change it up all over again - just the way you like it.

### **Ring In A New Song**

Ring ring is so yesterday. To ensure that each call is music to your ears, the Motorola C343 comes with a polyphonic speaker and a wide variety of embedded and downloadable\* ringtones that will keep you rockin out until sundown or at least until you download more.

### **Instant Gratification**

Don't get caught up with dial up. If you need to log on, use your model C343 and get information quickly. With an easy to use WAP web browser at warp speeds up to 153 Kbps, experience the internet on the go\*\*.

### **Tiny, Little, Perfect!**

With it's stylish candy bar design, the Motorola C343 is hot enough to turn heads but small enough to slip into your pocket and stay there. An assortment of handy accessories such as the Motorola FM Stereo Radio Headset and Motorola MP3 Player will make you want to carry this traveling entertainment marvel everywhere. Don't leave home without it!

### **Little Know-It-All**

With the assistance of the Motorola C343, users can remain on top of their ever-changing world with a calendar and datebook complete with reminder alerts. With a 500-entry phonebook, a number is never hard to locate.
