

MOTORAZR V3 Miami Ink Collection

Create laser-etched envy with the MOTORAZR V3 Miami Ink Collection. Adding a new dimension to the popular RAZR form, the MOTORAZR V3 Miami Ink Collection features tattoo-inspired designs by world-famous artist Ami James, leading tattoo artist on *TLC's* hit television series "*Miami Ink*." Perfectly balancing design, craftsmanship and functionality all in a breathtaking new package, the MOTORAZR V3 Miami Ink Collection offers consumers a new twist on the world's best-selling mobile handset.

Art in the Palm of Your Hand

Show off your new palm-sized artwork with the MOTORAZR V3 Miami Ink Collection in magenta with Cherry Blossom Tattoo or in dark pearl gray with Dragon Tattoo. Each design is laser-etched onto the smooth brushed aluminum surface and is sure to catch attention no matter where you are! The first designs to become available globally, these unique handsets give consumers "tattoo cool" without the pain.

High-Tech and High Design

With unique, handcrafted design, the MOTORAZR V3 Miami Ink Collection packs in a host of cutting-edge features. Create high quality images with the brilliant picture capture and review, while the VGA camera's effective 4 x digital zoom and quick exposure controls deliver excellent results. Enjoy MPEG 4 video clips in bright color with 22 kHz polyphonic speaker sound, and bring your favorite digital imagery to life with the 176 x 220 pixel 2.2" color display and 3D graphics engine. With unique and eye-catching designs and famous MOTORAZR innovation, the MOTORAZR V3 Miami Ink Collection is truly a lifestyle accessory.
