

MOTORIZR

Merging an innovative slider design with an impressive feature set, the MOTORIZR delivers a dynamic mobile package for those socially active, on-the-go consumers who demand style, fun and adventure. Uniquely crafted, the MOTORIZR features a thin, narrow slider form factor with familiar finishes, rich housing materials and a multi-modal design for using the phone in both the open and closed positions. Appealing to the senses, this sleek new device boasts exceptional imaging, vivid color screen, enhanced music features and global connectivity. By offering the desired functionality in a familiar, easy to use design, the MOTORIZR is the companion for effortless style and entertainment on-the-go.

Smooth Operator

The MOTORIZR features an ultra smooth slider that easily glides open with a subtle push to the elevated lens treatment. Once opened, the MOTORIZR will delight you with the clean look and feel to its large, easy-to-use keypad. Paying attention to even the tiniest of details, the MOTORIZR slides open to reveal an abstract tattoo for an element of pleasant surprise. To take full advantage of the slider and make your life easier, you can do most anything in both the open and closed positions—no need to constantly 'open' the phone.

Imaging Icon

Hidden behind the MOTORIZR's eye-catching design lays a powerful digital camera. Capture images with the integrated 2 megapixel digital camera and high-intensity camera light. With a dedicated side camera key and landscape viewfinder, you can hold it and use it like a digital camera. What could be easier! To really show off the large, colourful display, there MOTORIZR features a full screen viewfinder for both photographs and videos.

Sophisticated Sound

Adding a touch of entertainment to its youthful style, the MOTORIZR is a music-lover's paradise. Experience the ultimate in music portability with the MOTORIZR's built-in music player that supports a variety of music formats. Transfer your digital music collections via USB connection—with up to 2GB of MicroSD available, you can store all your favorites with room for more! To make the experience even better, an optional Bluetooth stereo headset accessory is available for wire-free listening.

Global Mobile

Crossing foreign territory, the MOTORIZR's quad-band technology allows users to roam seamlessly across countries and continents. With multiple messaging capabilities including MMS and IM, share a picture, file or expression with friends, family or loved ones***. Keeping in touch has never been more fun! And with flight-mode, you can now relax with your favorite tunes for hours, making the MOTORIZR your ideal travel companion.
