### **Music 24/7**

Discover the ultimate in music portability. Transfer all of your favorite music quickly with USB 2.0 hi-speed technology and easily with Windows Media™ Player 11. With an easy to use PC syncing experience, Windows Media Player 11 allows you to drag and drop without worry. The possibilities are endless – you can transfer your personal CD collection or download individual or subscription tracks from countless Window Media Player compatible music stores directly to your PC and then simply transfer!. With up to 2GB of optional removable microSD memory and 64MB on board memory<sup>1</sup>, users can store all of their favorite songs and playlists without compromise. The MOTOROKR also has a dedicated music key that launches the music library and file sorter making it easy to find the music you want. Now sit back and let your music consume you wire-free with a compatible Bluetooth enabled headset.<sup>2</sup>

### **Distinguishing Design**

With clean lines and an appealing silhouette, MOTOROKR Z6 slider is true Motorola high fashion. Carefully crafted with the perfect slender proportions, glistening metallic finish, and that familiar soft touch feel, MOTOROKR Z6 creates a precious and premium aesthetic. Look closer and discover the hidden detail on the back of the slide.

### **Indulge Yourself**

Behind the MOTOROKR Z6's luxurious design is a powerful 2 megapixel camera. Not only does it hold like a camera, it snaps like a camera using a dedicated camera key. With multi-mode capabilities, you can capture moments in either landscape or portrait and with the slider open or closed. The options are endless – providing users with the option to take still pictures or make a video. Equipped with a camera light, the MOTOROKR Z6 creates high quality images that can be printed easily on a compatible Bluetooth enabled printer!<sup>2</sup>
