

MOTOROLA T300p

Combining a resilient exterior with nationwide PTT connectivity for a mobile "walkie-talkie" experience, the new Motorola T300 is a working man's best friend. With a high-quality speakerphone, icon-based contact list with presence indicators and a rugged design, the model T300p is the all-in-one communications must-have to keep you informed, efficient and effective while on-the-go.

Pushing The Limit

This is one rough, tough mobile phone. The Motorola T300p is designed to be durable to take the bumps and bruises of both work and play and delivers quick and easy access to everyone in your phonebook via one-touch PTT functionality featuring an integrated PTT user interface and dedicated button. Updating colleagues, managing employees or asking your crush on a date – this multi-talented mobile can handle it all.

Say What?

Need to get your team together on a quick call? Don't go in search of a conference phone, just activate the high-quality speakerphone on your Motorola T300p and your whole team is connected with the simple touch of a button.

Fingertip Convenience

With 5-way navigation and optimal key size and spacing on its user-friendly keypad, the Motorola T300p makes it possible to connect fast without the fuss. And, thanks to audible, visual and vibrate alerts and WAP 1.2 support for Internet access*, this mobile is the ultimate companion providing connection and information during demanding workdays.

SUMMARY OF FEATURES

- Nationwide push-to-talk (PTT) service coverage
- Rugged design with scratch-resistant display
- High-audio quality speakerphone for clear conversations in loud environments
