

MOTOROLA V550

Don't just say it...show it. The new Motorola V550 supplies productivity *and* fun in a stylish, ergonomic package. An integrated VGA camera lets you share your life experiences with color videos and photos, allowing you to send along to family or co-workers with enhanced Multimedia Messaging Service (MMS) or store away with the model V550's 5 megabytes of user memory. Whether at home or traveling the globe, the V550's quad band technology provides extended coverage and embedded Bluetooth® wireless technology lets you cut the cord and engage in wireless connections to compatible devices. With preloaded and downloadable ringtones and J2ME™ games, Instant Messaging (IM)* and enhanced browsing with WAP 2.0 and GPRS, the Motorola V550 delivers a compelling set of mobile connectivity and entertainment options to please just about anyone.
