

Motorola W156/160

The Motorola W156/160 delivers all the tools to help users stay connected packaged in an easy-to-use, thin B&W candybar form factor. The affordable device delivers an attractive and high-quality mobile phone, with the added benefit of crystal clear communications, long battery life and music with a built-in FM radio (W160 only).

Everything You Need...

The Motorola W156/160 enables access to all of the tools consumers need – phone, data, music – through an intuitive user interface. The FM radio (W160 only-optional headphones required) and SMS interfaces, combined with a large display and sleek keypad, deliver an enjoyable navigation and viewing experience. And excellent battery life allows more standby time and talk time between charges.

Nothing You Don't

No need to shout or adjust the volume to hear the person with whom you are conversing. Motorola's Crystal Talk™ technology makes it possible to have natural phone conversations as well as enhanced ringtones, even in noisy environments, by enhancing the audio signal so your ear can hear it best. And, you can access the office-quality speakerphone with the push of a button.

Entertainment You Want

Carry your music with you by listening to FM radio (W160 only-optional headphones required) on your mobile device through stereo or through speakerphone. And personalize the calls you receive with 10 preloaded 32 channel polyphonic ringtones and 15 standard alert ringtones. For even more customization, access more than 10 additional downloadable iMelody ringtones.¹
