

Motorola W205

The Motorola W205 is simple, yet sophisticated. Enclosed within this enticing candy bar is everything you need to quench your thirst for mobile-to-mobile interaction. Keep in touch with SMS messaging¹, a 500 entry internal phone book and iTAP™ 5.5 – the essentials you need to get in touch and stay in touch.

Design Tradition

The Motorola W205 is a member of Motorola's long line of practically and stylishly designed mobile phones. The W205 features a slender, candy bar form factor, large color screen, directional keypad, and large icons. Have the look and be practical, all at the same time.

Txt & Tik

Social networker? World class texter? Town gossip? No matter what your communication niche may be, the Motorola W205 has your number. With iTAP 5.5 you can hone your text messaging skills – it already knows what you're trying to type! A 500 entry phonebook and approximately 1MB of user memory² means no matter who you meet, or where you meet them, you've always got room for them in your life. Last but not least, the quiet vibrating feature will keep calls coming, and no one but you is the wiser.

Keeping You Connected

The Motorola W205 comes equipped with a 2.5 millimeter headset jack, compatible with a number of headset accessories. Simply plug it in, press send, and you're off. This feature keeps you connected, sans distractions. With crystal clear quality, feel free to talk to friends and family as if they were sitting right next to you.
