

Motorola W206/W213

Affordable and stylish, the Motorola GPRS W206/213 keeps you connected and lets you stand out from the crowd. With an ultra-thin candybar design that's easy-to-use, this mobile phone delivers all the features – CrystalTalk™ technology, excellent battery life, large phonebook and SMS storage- you need to stay connected with friends and family, not to mention a color display, MP3 ringtones, pre-loaded games and WAP/GPRS to keep you entertained.

Get Toned Up

Customize the W206/213 by quickly and effortlessly downloading up to 1MB of your favorite wallpaper, screensavers and ringtones with GPRS connectivity.¹ Incoming calls can also be personalized with pre-loaded clear and distinct polyphonic ringtones so the user always knows who's calling. The integrated hands-free, and office-quality speakerphone can be used to multi-task and save time.

Keep in Touch

Stay up to date while on the go with all your friends and family by storing up to 500 phonebook entries. And with a large storage capacity, the W206/213 lets you save up to 500 important and memorable SMS messages to your phone. The excellent battery life – approximately eight hours – allows plenty of standby time and talk time between charges.²

Fun and Games

Preloaded with games such as Tetris® and EA™ Sudoku, the W206/213 provides hours of amusement while on the go! And with optimal, easy and convenient viewing, the 65K CSTN and large 128 x 128 color display helps provide an enhanced viewing experience.

Crystal Clear

Hear and be heard with Motorola's innovative CrystalTalk™ technology that automatically adjusts audio to help ensure clear calls even in a noisy environment. And, you can access the office-quality speakerphone with the push of a button.
