

MOTOROLA W220

Show off your individual style as well as your original moves. With a built-in FM radio and a colorful clamshell design, the affordable new Motorola W220 delivers a fun fusion of entertainment and communication features to keep you connected. Chat with friends, download* media content and share your favorite images via multimedia messaging (MMS)*. No matter your means for communication, the Motorola W220 provides ample battery life and the best of the basics to help ensure everyday communication is always at your fingertips.

Get What You Need

Less is more. The Motorola W220 offers only the best connectivity capabilities and up to 497 minutes of talk time** to keep you in touch *your way* – no unnecessary features or fuss. Multitask while you chat wirelessly via handsfree speakerphone, send a holiday wish via text to family*, browse the Internet for movie times or download and share a funny image via MMS*. No matter what your need, the Motorola W220 provides a simple, user-friendly experience to make everyday communication a snap.

Groove is in the Hand

Experience entertainment on-the-go! The Motorola W220 features a built-in radio so you can tune in to your favorite DJ and listen in stereo via optional stereo headphones.

Cool Clamshell

Whether you want to chat with a friend or listen to a friend or live music, the Motorola W220 delivers all the latest features at an affordable price. And what's more, with a chic color clamshell and a large, vibrant color screen, you'll always step out in style.

Certain mobile phone features are dependent on the capabilities and settings of your service provider's network. Additionally, certain features may not be activated by your service provider, and/or their network settings may limit the feature's functionality. Always contact your service provider about feature availability and functionality. All features, functionality and other product specifications are based upon the latest available information and are believed to be accurate; however such product specifications are subject to change without notice or obligation.

*Network and/or SIM card dependent feature, not available in all areas. Airtime, data charges, and/or additional charges may apply.

**All talk and standby times are quoted in Digital Mode, and are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data and other application usage patterns.
