

MOTOROLA W375

For design-crazy consumers who want a cost-friendly phone but aren't prepared to compromise on a sleek form factor and superior functionality, the Motorola W375 delivers a rich feature set at an affordable price. Offering the best of the basics for work and play, the W375 provides a variety of features for premium entertainment, communications and organization. Enjoy the imaging, gaming and music functionality and rock to your favorite radio station via the built-in FM radio. When you need to manage business the W375 has the organizational tools you need. Complete with slim clamshell design, a shiny black finish and a large color screen, the Motorola W375 is THE mobile device to stay in style, in touch and entertained.

Style Profile

Gone are the days of the cheap phones weighed down by clunky housing and burdened by small screens. Weighing an ultra-light 3.1 ounces and boasting super-slim design and internal antennae, the Motorola W375 fits comfortably in your hand and flips open effortlessly to reveal a large, vivid color screen and streamlined keypad. Blending slim design with lustrous black housing and a unique vertical external screen, the Motorola W375 lets you look like a million dollars while staying within your budget.

Business As Usual

Delivering a full suite of organizational features, the Motorola W375 makes juggling business and pleasure seamless. You can manage your schedule via calendar and alarm clock, keep track of colleagues with vCard capabilities, host a meeting over the integrated speakerphone, transfer media files, such as pictures and polyphonic ringtones to your PC through the USB cable and experience travel-made convenient with currency converter and tri-band technology.

Putting "Fun" in Functionality

The Motorola W375 is no slouch when fun is on the agenda. Want to share your latest adventure with family and friends? Snap and send images on-the-go via VGA camera with 4x zoom and multimedia messaging* or save your best shots as wallpaper to the W375's brilliant color display. Craving competition or missing your favorite music? Play pre-loaded games, download* and personalize your phone with the latest MP3 ringtones or jam to the W375's integrated FM Radio via speakerphone or stereo headset support.
